

Seven Ender, Holding, Waiting

In time you'll see
Growing up ain't easy
Waiting and holding
It's too much for you

How am I
To see through the meaning?
How am I
To watch
You disappear?

Inside you're wasting away
Without you
Nothing's the same

In time you'll see
Reaching isn't easy
Surface to the air
Holding up one another

But I know
That waiting
And holding for you
Is almost as
Likely as
You coming through

Inside you're wasting away
Without you
Nothing's the same
In time you'll understand me
Your answers are right in front of you

Pushing farther I'm the only one
Tainted by your love
Holding and waiting on

But you have got a ticket to
Save us
For eight hundred eyes are on you
Eyes are on you
Eyes are on you

Inside you're wasting away
Without you
Nothing's the same
In time you'll understand me
Your answers are right in front of you

But you're pushing so hard
But you don't know where I'm going
But you've gotta crawl inside
Me
