

# Seven Mary Three, Things I Stole

Am I strong enough to keep my mouth shut tight,  
Something in this house won't let me sleep tonight,  
Sing one for tomorrow, one for the way we were,  
Am I man enough to say what I've done wrong,  
Something in this house won't leave me alone,  
Sing one for tomorrow, one for the way we were,  
Once for things I borrowed, one for the thing that I stole from her,  
Does baby love me the way that she says she does,  
Does baby love me the way that she says she does,  
Does baby love me the way that she says she does,  
Does your baby love you the way that she says she does.
