

Sevendust, Feel So

Bleeding soul - I feel I'm dying
I persist - I persist - I think I'm hiding
I've lost my soul - No happiness
I FEEL SO...

You call my name ---
You call my name --- I try to run
I've lost my soul --- no happiness
I FEEL SO...
What did you say? (what did you say)
I don't understand
Why I feel this way (why do I feel so.....)

Bleeding soul - I feel I'm dying
I persist - I persist - I think I'm hiding
I've lost my soul - for happiness
I FEEL SO...

What did you say? (what did you say)
I don't understand
Why I feel this way
I FEEL SO...

What did you say?
I don't understand
Why I feel this way (why do I feel so.....)
I've...lost...my...

What did you say? (what did you say)
I don't understand
Why I feel this way
