

# Sevenfold Image, Severance

Pushed up, against the wall  
Watch the hands, on the clock fall  
Unruly chaos gathering, faithless boy  
Left wondering.

Keep me out of the storm  
Father, keep me out of the storm.

Rest your neck  
Your time is coming  
Watch the sands, rush  
Through the hourglass.  
Step back your faith  
Is failing fast, steadfast  
You know he's coming back.

As I realize in my mind  
I hesitate over compensate  
As I contemplate, my relationship with you.

Severance, you have been cutoff,  
you've made, you're choice  
Now live with it.  
Sentenced an eternal commitment,  
You've made you bed,  
Now lie in it.
