

# Seventh Angel, No Longer A Child

INTRO: No longer a child, a broken toy

The door was open wide  
I'd never seen that look in daddy's eyes  
Even though i cried  
He wouldn't go away, I screamed inside.

I try and try, but you wont hear my cries  
I'd never hurt you, but in my soul is agony  
I loved you even through the painful sleepless nights  
I'd never hate you, but how can I ever be free  
Daddy why do you hurt me

Here I lie alone, nobody can see  
I've never told  
Mother isn't home  
Father's last touch has left me cold

CHORUS (God help me)  
Bridge

(God speaking)-My little child, I see your pain  
I cry with you every tear you weep.  
I weep with you, I'll never leave you  
Or hurt you, and now I take you in my  
Arms to show you the love you never knew

God I cling to you  
You can see my pain, you cry with me  
Love I never knew  
In the darkest night, You're here with me

I try and try, but they wont hear my cries  
I'd never hurt them, but in my soul is agony  
Lord I loved them even through the pain  
I'd never hate them, but how can I ever be free  
God Help Me
