

Sewing With Nancie, Naive

I've been warned about all girls like you.
The summer makes you dumber, when it goes you go too.
And like the trends you make, you must follow.
So long and thanks for all the shoes and Hard Core Logo.

Clueless she shall go, cause some people just don't know.
She's just so naive.

Every good thing must come to an end.
How was your conversation with my last ex-girlfriend?
Visor so low that you can't see,
And if your phone looks anxious, don't pick up, don't call me back.

Clueless she shall go, cause some people just don't know.
Better leader to follow, well there she goes, whoa,
She's just so naive.

She's just so naive (clueless she shall go)
She's just so naive (stupid people just don't know)
She's just so naive (if you lead she will follow)
Whoa.....

Whoa, she don't know.
