

# Sex Pistols, Einmal Belsen War Wirflich Bortrefflich

Belsen was a gas a read the other day  
About the open grave where the Jews all lay  
Life is fun and I wish you were here  
They wrote in post cards to those held dear

Sergeant Majors on the march  
Wash the bodies in the starch  
See them all die one by one  
Guess who's dead? Guess whos glad?  
So glad

Belsen was a gas a read the other day  
About the open grave where the Jews all lay  
Life is fun and I wish you were here  
They wrote in post cards to those held dear  
Oh dear.
