

# Sexy Sadie, Lier In The Mean World

She can leave you without telling you  
that she 's the queen of heroes

She won the Lier In The Meanworld  
in the higher season

You don' t have to call her 'cause  
something calls you to go.

I know and I' m sorry

I would if I could, But I' m in a hurry

I saw you in a cloud it was the first time

I knew you

I tried to kiss your forehead but someone  
woke me up
