

Sha Boom, Don't Steal My Heart Away

Just now, when my baby is away
You call me every day to tell me you're all alone
Yeah girl it's so hard to say goodbye but lovers have to try
I'm in love with another girl

Don't (don't) steal (steal)
Don't steal my heart away
Don't (don't) steal (steal)
Don't steal my heart away
na (na x22)

girl you know that I'm a fool
you know I'll break the rules so baby stop teasing me
can't you see, let me bee, you're killing me

Don't (don't) steal (steal)
Don't steal my heart away
Don't (don't) steal (steal)
Don't steal my heart away

I believe in to find a place where I can't hide
I believe in to stop the pain inside

Don't steal my heart away

Don't (don't) steal (steal)
Don't steal my heart away
Don't (don't) steal (steal)
Don't steal my heart away
Don't steal my heart away
na na na na na na
Don't steal my heart away
na na na na na na
Don't steal my heart away
na na na na na na
Don't steal my heart away
na na na na na na
(fading)
Don't steal my heart away
na na na na na na
Don't steal my heart away
na na na na na na
Don't steal my heart away
