

Shaboom, Only Love

We had a hope to gone to,
show us the way to go
If we can stand up united,
and let the homeworld know
If you looking for love,
just keep on searching for love
Cause that's everything you ever need
And when you're calling for love,
your heart is beating for love
And the passion is guaranteed.
(It's Only Love) It's Only Love

Only Love, can keep us together
Only Love, can make us believe
Only Love, can make this work better
Only Love, is what we need

We had a dream to gone to,
there is a guiding light
If we can all come togehter,
then we can win the fight
If you looking for love,
just keep on searching for love
Cause that's everything you ever need
And when you're calling for love,
your heart is beating for love
And the passion is guaranteed.
(It's Only Love) It's Only Love

(Repeat 2x)
Only Love, can keep us together
Only Love, can make us believe
Only Love, can make this work better
Only Love, is what we need

(Repeat 3x)
(Only Love) Only Love, can keep us together
Only Love, can make us believe
Only Love, can make this work better
Only Love, is what we need
