

Shabutie, Cassiopeia

Wide.. Wide.. Wide Open

wide (open)

(wide) open

Cassio, Could You LOVE me

more.....more....

can we be friends?

On a journey to debate i call freedom

Words unsung

Hold me close

Don't let the wind follow

Don't let the wind take us away

Cassio...

Why the f**k would you do anything to work out all wrong

It's my freedom

Cassio, Cassio

Cassio.....
