

# Shaded Red, Dreamin

don't sway, don't break  
don't fall, don't quake  
don't speak, don't run  
don't cry, just trust

trust your heart  
feel it now, feel it now  
trust your heart  
reach it now, reach it now

don't stop dreamin'  
don't stop dreamin'  
when it all comes down

don't leave, don't shake  
don't crash, don't fake  
don't shy, don't shun  
don't fear, just trust
