

# Shades Apart, Superzero

so we meet again  
i the one to call in  
when the bigshots in town let you down  
i the last defense  
i too dense for a weakness  
no fear at all

superzero - superzero  
at an all-time low  
the only way to go  
superzero - superzero  
last chance hero

don look so surprised  
if i not in disguise  
wel get out of this yet - it no sweat  
ie got nothing to lose  
what a few more bruises  
no fear at all

superzero - superzero  
at an all-time low  
the only way to go  
superzero - superzero  
last chance hero

the bigger they are ?the harder they hit  
look at these scars- i don know when to quit  
i seeing stars ? il never admit it  
no fear at all

superzero - superzero  
at an all-time low  
the only way to go  
superzero - superzero  
last chance hero
