

# Shades, I Believe

(slow beat)

Verse 1:

We don't have to rush it baby let's slow it down  
We've got plenty of time to fool around  
If you really love me baby then you will wait  
There are plenty of girls that won't hesitate  
I'm not tryin' to dis it's just how I feel  
Cause I want what we have to be so real  
My mother always told me that true love would last  
Don't you know that one night stands are a thing of the  
paaast....

(fast beat)

Chorus:

I believe that love should mean much more than sex  
Can't you see that sex ain't nothin' if you don't love me

Can't you see that sex ain't nothin' if you don't love me

Verse 2:

Lately I've noticed that you're shying away  
Is it cause I haven't given you any play (cause I don't give you any play)  
I'm not tryin' to tease ya, I've got to hold back  
I can't give you my all and get nothing back  
I'm not tryin' to dis ya (dis ya), it's just how I feel (it's just how I how I feel)

It's the falling in love that's making me feel  
It's the being in love that makes the sex more real  
The fallin' in love that's makein me feel  
It's the being in love that makes the sex more real
