

# Shades, Love Means More

We don't have to rush it baby  
Let's slow it down  
We got plenty of time to fool around  
If you really love me baby  
Then you will wait  
There are plenty of girls that won't hesitate

1 - I'm not trying to dis  
It's just how I feel  
'cause I want what we have to be so real  
My mother always told me that true love will last  
Don't you know that one night stands are a thing of the past

2 - I believe that love should mean much more than sex  
Can't you see that sex ain't nothin if you don't love me  
I believe that love should mean more than sex  
Can't you see that sex ain't nothin if you don't love me

Lately I noticed that your shying away  
Is it 'cause I haven't given you anything  
I'm not trying to tease you  
But I have to hold back  
I can't give you my all and get nothing back

Repeat 1  
Repeat 2  
Repeat 2

I believe that love means everything to me  
I believe that love means everything to me

It's the falling in love  
That's making me feel  
It's the being in love  
That makes the sex more real  
The falling in love  
That's making me feel  
It's the being in love  
That makes the sex more real

Repeat 2  
Repeat 2  
Repeat 2

I believe that love means everything  
Means everything  
I believe that love means everything  
More than material things
