

# Shades, Why

ohhhhhhhh, ahhhhh, yeah, mmmmmmmmm

## Verse One

Last night you didn't call me  
I tossed and turned  
I called you all night  
I was concerned  
I prayed in my bed  
You was all right  
I cried and I cried  
I stayed up all night

## Chorus

Why you have to leave me standing in the cold  
Why'd you leave me, all alone  
Why'd you leave me leave me leave me  
Why you have to leave me standing in the cold  
Why'd you leave me, all alone  
Why'd you leave me leave me leave me

## Verse Two

These days are hard times  
For me  
Cause I really miss you  
I'm unhappy  
Why won't you call me?  
Where is your love now?  
I can't forget  
You're all I think of

## Chorus

Why you have to leave me standing in the cold

Why'd you leave me, all alone  
Why'd you leave me leave me leave me  
Why you have to leave me standing in the cold

Why'd you leave me leave me leave me
