

# Shadow Warriors, Die For Honour

(Verse 1)

On the march for mighty one through castle long ago  
Where dragon live in ancient time and mountain filled of snow  
Ninja come to save us from the sword of Samurai  
Forgotten soul of warrior will soon be time to die

(Pre-Chorus)

When the time has come for burning sun the dragon he arise  
He breathing fire and spread the wings the evil in the eyes  
When the victim of the master lord are fallen by the floor  
We will fight the battle on for evermore

(Chorus)

For the glory of the trees and across the seven seas  
We will stand strong united as one  
For the glory of the sword for forever now and more  
We will die for the master, we die for the master Shogun!

(Verse 2)

Fallen soul of evil lord they running for their lives  
The terror fills the underworld the demon seven knights  
Fallen hero crucified by master of the dark See warriors of dragon ninja thunder in their heart

(Pre-Chorus)

When the time has come for burning sun the dragon he arise  
He breathing fire and spread the wings the evil in the eyes  
The victim of the master lord are fallen by the floor  
We will fight the battle on for evermore

(Chorus) For the glory of the trees and across the seven seas  
We will stand strong united as one For the glory of the sword for forever now and more  
We will die for the master, we die for the master Shogun!

GO!

(Pre-Chorus 2)

When the time has come for burning sun the dragon he arise  
With breathing fire and spread the wings the evil in the eyes  
With evil breath they slay the people land of blood and war  
On wings of eagle on for evermore

(Chorus)

For the glory of the trees and across the seven seas  
We will stand strong united as one  
For the glory of the sword for forever now and more  
We will die for the master, we die for the master Shogun!
