

Shadows Fall, The Light That Blinds

A crack forms in the foundation
Fault line through your defenses
Illuminating the essence
Once clouded by a myth

Store bought conformity
Force-fed duality, I warp reality

The comfort that you will find,
As you remain hidden.
The light betrays,
casting your true self away,
They remain blinded.

As Vanity possesses me
I am turning further away
Gripped by a belief in empty words
Driven by a need to prove

The shell may wither
But the fire burns eternal

You hide behind
...cower...
The light that blinds

Will never find
What burns inside
You remain blind
Behind the light
