

Shaggy, Keep It Real

Uh- thats right
Reality check
You kno what I mean
Street lights eh
Scorpion yeah uh

When I was young
I use to dream of being rich
Have alot of houses and cars
Couldn't know which one was which
And finding me a chick and getting hitched
Living the fairy tale life perfect without a hitch
You think that this would bring me happiness
If at the end of every rainbow
There was a treasure chest
Sometimes having more is really less
So take a look inside yourself
You'll realize you're really blessed
No matter how you're sad and blue
There's always someone who has it worse than you
Sometimes you gotta pay your dues
So don't worry just push on through

Keep'n it real
Gotta big up all my peoples who be working on the future
Though they know they gotta struggle
Keep'n it real
To all my homies working on the 9 to 5
And doing right to keep themselves up out of trouble
Keep'n it real
Although sometimes I know it seems impossible
There ain't no need in drowning in your sorrows
Keep'n it real
If things are as bad as they can be
You can be sure there'll be a brighter tomorrow

I never got to have myself the house, the mansion, and the Benz
I'm not the type of brother who be Ridex
I got myself a girl but we be kickin' it as friends
Is not enough for me now that depends
Again- not everthing you want is everything you really need
The standard is motovated by greed
Tell me are you prepared to follow
are you prepared to lead
So persevere and you'll suceed

Keep'n it real
Gotta big up all my peoples who be working on the future
Though they know they gotta struggle
Keep'n it real
To all my homies working on the 9 to 5
And doing right to keep themselves up out of trouble
Keep'n it real
Although sometimes I know it seems impossible
There ain't no need in drowning in your sorrows
Keep'n it real
If things are as bad as they can be
You can be sure there'll be a brighter tomorrow

Hook
All the harsh realities
Appears to come up into the trees
Don't worry cuz
There'll be a better day

One thing I can promise you
Just keep on keeping on
I swear to you
There's gonna be a brighter day

Back in the days
I use to dream of being rich
Have alot of houses and cars
Couldn't know which one was which
And finding me a chick and getting hitched
Living the fairy tale life perfect witout a hitch
You think that this would bring me happiness
If at the end of every rainbow there was a treasure chest
Sometimes having more is really less
So take a look inside yourself
You'll realize you're really blessed
No matter how you're sad and blue
There's always someone who has it worse than you
Sometimes you gotta pay your dues
So don't worry just push on through

Keep'n it real
Gotta big up all my peoples who be working on the future
Though they know they gotta struggle
Keep'n it real
To all my homies working on the 9 to 5
And doing right to keep themselves up out of trouble
Keep'n it real
Although sometimes I know it seems impossible
There ain't no need in drowning in your sorrows
Keep'n it real
If things are as bad as they can be
You can be sure there'll be a brighter tomorrow

That's right, see me, yeah
Give thanks fa wha you have, ya kno
And when you think that its bad
There's always somebody that's worse
Kno what I'm sayin'
Give Jah blessing, see me
Wa-wa, Wa-wa
Wa-wa, wa-wa
