

# Shaggy, Thank You Lord

Now this one goes out to the father  
For shower of good blessings  
Right now I gotta give thanks  
And praise most I

[chorus]

[KY-MANI]

Thank you Lord for what you've done for me

[SHAGGY]

To the Father I say

[KY-MANI]

Thank you Lord for what you're doing now

[SHAGGY]

I go down on my knees and pray

[KY-MANI]

Thank you Lord for every little thing yeah  
Thank you Lord for now you made me see  
Sing along, sing along

[SHAGGY]

Now when I look back in the days of all the sweat and  
all the dues I paid  
I go down on my knees and pray  
And give thanks to the Father for the blessings that he shined on me  
I sing a little song of praise  
Though I know that everybody ain't as fortunate as I may be  
One more time I say  
Words cannot express appreciation what he's done for me  
Right now I say thank you Lord

[chorus]

[SHAGGY]

When I look back at all the things that the Father has done for me  
I give thanks to the Lord and everyday i'm on my knee  
Write the song now to please  
No matter the color nor the creed  
It was invested in me I'm here to do a good deed hey  
I try to put a smile on your face  
I write a simple song so it appeals to your taste  
I tried to do the things that people appreciate  
Well thanks for the music that they all embrace  
And I say thank you Lord

[chorus]

[KY-MANI]

Say I'm in no competition  
But I have made my decision  
You can keep your opinion  
I am just a calling on the wise man communion

[chorus]

[SHAGGY]

I thank the Lord once again for the power of the pen  
Yes I be making ends to feed my family and my friends  
Push out my Benz check your lens  
Beg you ease up off my fence  
Mi afi push out my mother in the latest gems
