

Shai Hulud, Unlearned

This was no upbringing. It only tore me down.
I was not taught. I was twisted.
This education is deprivation of the truth, halting my growth.

Governed in the wrong.
Schooled in churches of dissent.
A fear of everything instilled in me.
But bleeding through this involvement, I dub myself.

I unlearned what you have beat into me.

Governed in the wrong.
Schooled in churches of dissent.
A fear of every man instilled in me.
Driven in like nails.
