

Shai, Place Where You Belong

chorus:

this is the place where you belong
right here in my arms
without you something is wrong

misery, such a fool to let you walk away from me
now it seems there's just nobody there for me,
i'm in agony...

ooh yeah

gone without a trace, never knew that love was such a lonely place
damn, i need your loving just to fill this space
i'm in so much pain without you
you left me here alone, why don't you come back home to me
everybody help me sing

chorus:

this is the place where you belong
right here in my arms
without you something is wrong (x2)

waiting for your call, can't help thinking that this mess is all my fault
and just to have you back, i swear i risk it all
my every thought is of you
girl i'm on my knees begging for forgiveness and your sympathy
But most of all my love I need your company
The only thing I need is you
I need you back my friend so i can live again
Come back home....everybody help me sing

chorus (x2)
