

Shakaya, Give Me Your Name

Chorus (x2)

When I start to get away
You're beggin' me to stay
No I can't explain
The feeling is strange
I don't even know your name

I don't know what you like
But I'm pretty sure I'll be your type
Want you so bad tonight
It's undecided wrong or right

I don't even know your name
The situation it feels insane
Baby can you stand the rain
You know what they say
No pain no gain

Hook

You know why I fall
When I don't know you at all
With my back against the wall
As you're walking through the door
Well I gotta have you're number
Give me Your Name

I don't play no games
And I hope you do the same
I don't wanna wait in vain
Bob Marley did the same
So I gotta have your number
Give me Your Name

Chorus

I don't know what you need
I'll reassure it's all in me
Could I be deceived
I'll give it up if you say please

A stranger you are to me
Just like a cat's curiosity
Come on boy don't you leave
If you've gotta girl then it should be me
