

# Shaker Kula, Sound Of Drums

I hear the sound of drums on a melody  
I hear the sound of drums  
Well I sing in the names above in the city yeah  
Revolution for fun  
I feel the time has come like a remedy  
I feel the time has come  
Where shakin the spear of love in the city yeah  
I hear the sound of drums  
Yeah, yeah

Can you feel the love for me  
Yeah, yeah  
I feel the time has come  
I hear the sound of drums

I hear the sound of drums on a melody calling me to return  
We'll light up and catch the sun for its gonna be  
Revolution for fun  
Yeah, yeah

Can you feel the love for me  
Yeah, yeah  
I feel the time has come  
I hear the sound of drums  
Drums

(Instrumental)

I feel the time has come in a melody  
I see the golden one  
Well I'm not the only one with the remedy  
I'm not the only one  
I feel the time has come  
I hear the sound of drums
