Shakespear's Sister, Heaven Is In Your Arms

I remember you back in '83
Singing in the rain
In sweet harmony
I get so lonely
As the pages turn in my history
You fade away like a mystery
I get so lonely

Heaven is in your arms dear Heaven is in your arms dear I will never let you go I will never let you go Heaven is in your arms dear Heaven is where you are I will never leave you I will never let you go

If you never come back into my life I'll cut these strings with a golden knife I won't be lonely, I won't be lonely I'll steal your body from the hall of fame So the U.S.A. will know my name I get so lonely, I get so lonely

Heaven is in your arms dear Heaven is in your arms dear I will never let you go I will never let you go Heaven is in your arms dear Heaven is where you are I will never leave you I will never let you go

I read in this month's Passion magazine Or was I just imagining things? It seemed so real I've got something that you left behind A picture of you in my mind

Heaven is in your arms dear Heaven is in your arms dear I will never let you go I will never let you go Heaven is in your arms dear Heaven is where you are I will never leave you I will never let you go
