

Shakewell, Take The Field

Woken up to a pint tuss, bitch I'm born to bust
Dangerous, all my clicky shifty and shiesty as fuck
Who want up, who want next got 100 on my neck jewels
I break rules and cash checks slap dicks inside my new tec's
Les air it out
Got a lot of enemies don't talk about
Don't give em clout I buy em one way tickets up to heaven clouds
I'm really bout Sex Pistols violence woke up on a island
Found out it was Johnny Depps I'll get sued if I talk bout it
Who wanna go toe to toe with a fee fi fo fum gon, slap a 50 round inside my new gun
It's for fun, got a four five up in my new ride
It's do or die, if he play bout mine then issa homicide

Really huggin blocks, really totin glocks on 10 toes
Really off the shits, really bobo off them benzos
Mama say that she be worried cause the way I'm actin mental
Spent a hunnid bands on laughing gas then why I'm still depressed for

Really huggin blocks, really totin glocks on 10 toes
Really off the shits, really bobo off them benzos
Mama say that she be worried cause the way I'm actin mental
Spent a hunnid bands on laughing gas then why I'm still depressed for

Always thumpin, we can get to bussin when I pull it on em
Need a substance, I'm a known druggy in my town and country
Need a money, when it comes to hunnids bitch I'm always hungry
Feelin funny, finna fuck tha game up til my time is comin
Pressure from this metal make his heart sweat he a fooly
Shoulda never beefed it with tha shaker cause I'm a bully
Bitch I got hands, got gang, got glocks and toolys
We can active get ghost, demons talkin to me
Chopper shoppin turned to choppers droppin bodies all around
When this fully auto hip fire better hit the ground
Hear the sound, when I close my eyes it's all I'm hearin now
Women, child screamin but they daddy opp I gunned em down

Really huggin blocks, really totin glocks on 10 toes
Really off the shits, really bobo off them benzos
Mama say that she be worried cause the way I'm actin mental
Spent a hunnid bands on laughing gas then why I'm still depressed for

Really huggin blocks, really totin glocks on 10 toes
