

# Shakin' Stevens, A Love Worth Waiting For You

If you should ever want to be set free  
If you're not certain your future lies with me  
I'll let you go girl until your heart is sure  
It's a love worth waiting for

Now I won't stop you from leaving 'cause I know  
The way to keep you would be to let you go  
And I'm prepared to wait a thousand years or more  
It's a love worth waiting for

If you should leave me, oh, please remember me  
In my heart there's a fire a flame of desire for your charms

I will keep you alive this glowing ember  
A love that will burn until you're back in my arms  
You know my darling  
I need you here with me

But only to stay because it's where you ought to be  
'Cause I'm prepared to wait a thousand years or more  
It's a love (a love) worth waiting (worth waiting) for  
In my heart there's a fire (there's a fire) a flame of desire for your charms

A love that will burn until you're back in my arms  
You know my darling  
I need you here with me  
But only to stay because it's where you ought to be

'Cause I'm prepared to wait a thousand years or more  
It's a love (a love) worth waiting (worth waiting) for  
It's a love (a love) worth waiting (worth waiting) for, oh, oh
