

Shakin' Stevens, Tell Me One More

Tell me I'm the one
that you've been longing for,
tell me like you do, say all,
it's time to tell me one more time.
Put your little hand in mine,
tell me you want me all the time.
Tell me you'll be true, ain't gonna make me blue,
Tell me one more time.
Well, now you hurt me once before,
said you won't come back no more,
'cause you've found somebody new,
But now that's over and done,
Cause you said that I'm the one,
but love got to know it for sure.
Repeat first verse,
Repeat third verse.
Tell me one more time
what I've been longing for.
Tell me like you do, say all,
it's time to tell me one more time.
