

Shakin Stevens, You Drive Me Crazy

You know, Baby, when you're in my arms
I can feel your loving magic charms
You drive me crazy, you drive me crazy
And when I'm looking in those big blue eyes
I start a'floating round in paradise
You drive me crazy, you drive me crazy
Heaven must have sent you down
Down for you to give me a thrill
Ev'ry time you touch me
Ev'ry time you hold me
My heart starts speeding like a train on a track
I love you, Baby, and it's plain to see
I love you, honey, it was meant to be
You drive me crazy, you drive me crazy, oh
SOLO
(Repeat)
Heaven must have sent you down...
(Repeat)
I love you, Baby, and it's plain to see...
(Repeat)
And when I'm looking in those big blue eyes...
You drive me crazy, you drive me crazy, oh
