

Shakira, Empire

Take off all of your skin
I'm brave when you are free
Shake off all of your sins
Then give them to me
Closer, let back in
I wanna? be yours, wanna be your hero
And my heart beats?

Like the empire of the world unite
We are alive
And the stars make love to the Universe
You're my wildfire every single night
We are alive
And the stars make love to the Universe
And you touch me
And I'm like... and I'm like... and I'm like
Hooooo
And I'm like Hooooo
And I'm like Hooooo

I will follow you down wherever you go
I'm baby I'm bound to you and do you know
Closer, pull me in tight
I wanna? be yours, wanna be your hero
And my heart beats?

Like the empire of the world unite
We are alive
And the stars make love to the Universe
You're my wildfire every single night
We are alive
And the stars make love to the Universe
And you touch me
And I'm like... and I'm like... and I'm like
Hooooo
And I'm like Hooooo
And I'm like Hooooo

I'm just gonna? raise my head
Welcome to the final edge
And I'm gonna fall
I'm just gonna? raise my head
And hold you close

Like the empire of the world unite
We are alive
And the stars make love to the Universe
You're my wildfire every single night
We are alive
And the stars make love to the Universe
And you touch me
And I'm like... and I'm like... and I'm like
Hooooo
And I'm like Hooooo
And I'm like Hooooo
And I'm like Hooooo
