## Shakira feat. Alejandro Sanz, Knock On My Door

I'm gonna obey all your wishes as if they were orders I'm gonna dye your body in kisses while we're growing older I'll be there to beat your fears in all the three hundred sixty five days a year

so this is what I say

Knock on my door you know I'll be in town come ask for more don't let me down what is off what is on what is left what is gone I'm gonna give it all for you baby you can consider it done

I'm gonna live all my mondays like the sunniest sundays I'm gonna go thru life every moment thinking of you always and again we'll beat our fears there's only three hundred sixty five days a year

so this is what I say

Knock on my door you know I'll be in town come ask for more don't let me down what is off what is on what is left what is gone I'm gonna give it all for you baby you can consider it done

Knock on my door Knock on my door

don't let me down you know I'll be in town
