

# Shakira feat. Alejandro Sanz, Knock On My Door

I gonna obey all your wishes  
As if they were orders  
I gonna dye your body in kisses  
While we're growing older  
I'll be there to beat your fears  
In all the 365 days a year

So this is what I say

Chorus:  
Knock on my door  
You know I'll be in town  
Come ask for more  
Don't let me down  
What is off, what is on  
What is left, what is gone  
I'm gonna give it all for you baby  
you can consider it done

I'm gonna live all my mondays  
Like the sunniest sundays  
I'm gonna go thru life every moment  
Thinking of you always  
And again we'll beat our fears  
There's only three 365 days a year

so this is what I say

Chorus:

Knock on my door  
Knock on my door

Don't let me down

You know I'll be in town  
You know I'll be in town

Don't let me down, down,  
Don't, don't, don't, don't,  
Don't, don't, don't

You know I'll be in town  
You know I'll be in town  
You know I'll be in town...
