Shakira, Like A Prayer

Life is a mystery everyone must stand alone I hear you call my name & t feels like home... When you call my name it's like a little prayer I'm down on my knees I wanna take you there In the midnight hour I can feel your power Just like a prayer I wanna take you there I hear your voice, it's like an angel sighing I have no choice I hear your voice, feels like flying I close my eyes, hold on I think im falling out of the sky I close my eyes HEAVEN HELP ME! When you call my name it's like a little prayer I'm down on my knees I wanna take you there In the midnight hour I can feel your power Just like a prayer I wanna take you there It's like a dream, no end and no beginning It's like a dream your here with me Let the choir sing When you call my name it's like a little prayer I'm down on my knees I wanna take you there In the midnight hour I can feel your power Just like a prayer I wanna take you there Life is a mystery everyone must stand alone I hear you call my name and it feels like home Just like a prayer I wanna take you there just like a muse to me you are a mystery just like a dream you are not what you seem just like a prayer no choice your voice can take me there life is a mystery everyone must stand alone I hear you call my name and it feels like home
