

Shalamar, Dancing In The Sheets

i caught you smiling
i know i've seen you here before
how come your hiding
hey don'cha wanna hit the floor
the place is crowded
or maybe you dont like the beat
i got a two-track playing in my head
so let me take you somewhere else instead
(dancing in the sheets)

(chorus)
grab your coat and wave goodbye to your friends
i wanna take you where the night never ends
i feel the need to sweep you offer your feet
you and me we should be dancing in the sheets

we got the rhythm
we've got the music on our side
if we go with them
i'll bet we'll have a wonderful ride
your hands are cold
so maybe we could make some heat
love is always born on a chance
so wrap around me and baby lets dance
(dancing in the sheets)

(chorus)
