

# Shalamar, This Is For The Lover In You

It's got to be real  
Girl, I could write a book on how you're makin' me feel  
I know I'll never find  
Another who could match the lovin' you've givin' to me

So  
This is (for the lover in you)  
This ring (means I'll always be true)  
This is (how we'll start love a new)  
This time (it's gonna last forever)

I trust you, yes, I do  
And girl, you're not the kind a guy could easily charm  
'Cause the meaning of love  
Is always shown to me when you are wrapped in my arms  
Oh baby

So this is (for the lover in you)  
This ring (means I'll always be true)  
This is (how we'll start love a new)  
This time it's gonna last forever (I don't wanna, I don't wanna give you up)

This is for the lover in you (I love you , baby)  
This ring (Ooh)  
This is (for the lover in you, girl)  
This time (it's gonna last forever)

I could say I never met a girl, no, no  
Who satisfied my mental and my physical thing  
When I lay me down to sleep  
I'm rest assured with the thought that you are right next to me, my baby

This is for the lover in you (take this ring)  
This ring (It means I'll always be true)  
This is (how we'll start love a new)  
This time (were gonna last forever)

This is for the lover in you (take my ring)  
This ring (Oh...oh...)  
This is (sweet baby)  
This time we're gonna be together

Oh...  
So much love between us  
I'll be the one to come runnin' (be the one to come runnin')  
Oh, home to you (home to you)  
You give me sweet love  
With a woman like you, I don't need to play around  
Oh, you're more than just one woman  
You're blowin' my mind with the love that you're givin'  
That's what you hear me say  
Girl, every day

It's for the lover in you, baby  
With this ring I'll show you that there ain't no maybes  
It's for the lover in you, baby  
And it's this time we're gonna last forever

It's for the lover in you, baby  
With this ring I'll show you that there ain't no maybes  
It's for the lover in you, baby  
And it's this time we're gonna be together
