

Shampoo, Sid

Hello Kitty, Posh little pussy..
Laying in the sun, Your hair so shiny..
In you fur lined bed, You dream of revenge..
Keeping all the boys guessing,
Love the way you're so clever
Love the way you're so quick, yeah..

Lounging in your studded collar,
You're a little green eyed monster..

You're so sexy, So sleek and slinky..
Always getting your way,
Spitting, hissing away..
Digging in your claws and scratching..

Love the way you're so clever..
Love the way you're so quick, yeah..
Lounging in your studded collar..
You're a little green eyed monster..

What a vicious cat, You're a vicious cat..
What a vicious cat, You're a vicious cat..

What a vicious cat, You're a vicious cat..
What a vicious cat, You're a vicious cat..
