

# Shampoo, War Paint

Yeah! War Paint, Yeah!  
War Paint...  
Put It On, Put It On  
Night Is Over, Lipstick Heaven  
Bet You Can't Get It  
From The 7/11  
Charcol Is Our Body Armor  
Blacked Our Faces  
From Runny Mascara  
Perfect Make Up, We Don't Care

Chorus  
We've Got Tangles In Our Hair  
Get Your Masks On  
Put It On If You Dare  
Yeah! Yeah!  
Slapping On The War Paint  
Got No Class  
But We Got The Style  
War Paint  
Slap It On When We Do War  
War Paint  
If You Can't Get A Head,  
Get The Right Clothes On  
We Don't Wanna Go To Heaven  
All We Want Is... War Paint  
Drunken Nights Are Such A Killer  
Smudge Your Face On Your Pillow  
Made You Look  
And I Made You Stare,

Made You Lose Your Underwear! x3

Chorus x1

Who Wants To Be So...  
Who Wants To Be So...  
When You Can Be So Radical
