

Shamra, Hand Stamp

He spoke in broken English
Some words were hard to hear
Can't get into this party
That part was very clear
Can't let into party
I need your hand stamp
Too cool and too party
I need your hand stamp
I'm waving from the door 'cause
I've got some friends inside
He said, "I'm sure you do, and
I'm sure they're doing fine."
After our conversation

One thing was very clear
Can't get into this party
That's why I'm standing here
Can't let into party
I need your hand stamp
Too cool and too party
I need your hand stamp
If you get out of my way
I'll be in with the crowd
This empty hand
It holds me down
