

Shamra, Loan Sharks

All tapped out
My checks won't clear
And I want just a little more
My credit limit is low
My clothes are too old
Can I apply for a little more?
Ooh we
Pick a card
I hear the loan sharks singing la la la
Ooh we
Living large
Playing this on guitar I just charged
A light bulb just went off in my head
I should've thought of this before
They have no payments, no interest
On everything in the store
So, we can go a little overboard
Go a little overboard
Ooh we
Pick a card
I hear the loan sharks singing la la la
Ooh we
Living large

Playing this on guitar I just charged
Ooh we
Give me more
Gotta screen so big, won't fit in the door
Ooh we
It's alright
When the repo man comes better hold on tight
So we can go a little overboard
Go a little overboard
Ooh we
Pick a card
I hear the loan sharks singing la la la
Ooh we
Living large
Playing this on guitar I just charged
Ooh we
Cut the cards
I hear the loan sharks saying nah nah nah
Ooh we
No guitar
Singing this song a cappella
