

# Shanadoo, Guilty Of Love

Your hand's more than magic  
your voice so exciting  
your arms so inviting  
I can't resist  
daremo inai bashoni futari  
nukedasouyo jounetsu dakeo  
kaban ni tsumete subeteo sutete

I Know I'm guilty of love  
koukai wa demo shinai yo  
kokoro ga karamawari  
just call me guilty of love  
sukuerunowa mou  
anata no yasashii ai dake yo  
ikenai koi muchuu na koi

Kata yoseatte mitsumeta keshiki  
suteki sugite nakeruwa  
tsumaru kotoba iitai nowa  
wakatteru anatano koto  
itai hodo shitterukara

I Know I'm guilty of love  
koukai wa demo shinai yo  
kokoro ga karamawari  
just call me guilty of love  
sukuerunowa mou  
anata no yasashii ai dake yo  
ikenai koi muchuu na koi

I Know I'm guilty of love  
koukai wa demo shinai yo  
kokoro ga karamawari  
just call me guilty of love  
sukuerunowa mou  
anata no yasashii ai dake yo  
ikenai koi

Yes, we were guilty of love
