

# Shandi Sinnamon, He's A Dream

He doesn't mean a thing to me, just another pretty face to see  
He's all over town, knocking 'em down, honey  
I'd never let him next to me

Oh he's the kind of guy who thinks he's smart  
He's the type that always looks the part  
He's on the make, it's undertake, honey  
An' I never let him touch my heart

Right now, ask me if I care, look, it's coming closer, oh I'll swear  
He's got to be the toughest guy I've ever seen  
I can't believe he's lookin' at me

He's a dream

He didn't mean to catch my eye, well he's lucky, he just walked on by  
'Cos he hasn't met a girl like me, are you kiddin'  
Well I tell him that I'd rather die

Right now, ask me if I care, look, it's coming closer, oh I'll swear  
He's got to be the toughest guy I've ever seen  
I can't believe he's lookin' at me

He's a a a (he's a dream)  
(He's a dream) tonight (he's a dream) oh I know  
(He's a dream) Okay (well he's a dream)

Right now, ask me if I care, look, it's coming closer, oh I'll swear  
He's got to be the toughest guy I've ever seen  
I can't believe he's lookin' at me

Right now, ask me if I care, look, it's coming closer, oh I'll swear  
He's got to be the toughest guy I've ever seen  
I can't believe he's lookin' at me

He's a dream
