

# Shane Barnard, 737

where'd You get that shade of green?  
awesome, splendor, majesty!  
where'd You find the notes to play?  
glory and honor to Your name!  
my life, but a grain of sand  
Your life, so worthy of...!

how amazing is a 737 taking off  
laying down all of me  
that i might rejoice in all of You, Holy view  
all that is beautiful  
all creation bow to the majesty of God

every knee shall bow, and i will bow, and we will bow
