

Shane Barnard, Carry Away

at what point did i,
did i know that i would be around?
at what point did i,
did i know that i would be found?
and dine with You

carry away my mind, carry me away
carry away my mind
carry away my time, sweep me away
carry away my time

who gave the right to interrupt my life
with thoughts of You
needless to say, i bid my rights good day
i'm here to live and dine with You
only You. Lord

if You will lead on
forsake not Your song in me
Jesus, song in me

(philippians 1:6; 4:8, john 6:44; 6:65, romans 12:2)
