Shane Barnard, Carry Away

at what point did i, did i know that i would be around? at what point did i, did i know that i would be found? and dine with You

carry away my mind, carry me away carry away my mind carry away my time, sweep me away carry away my time

who gave the right to interrupt my life with thoughts of You needless to say, i bid my rights good day i'm here to live and dine with You only You. Lord

if You will lead on forsake not Your song in me Jesus, song in me

(philippians 1:6; 4:8, john 6:44; 6:65, romans 12:2)
