Shane Barnard, I Want It All

use me, break me, waste me on You, Lord
ruin me, take me, waste me on You
for to die is to live...

to starve is to feast
and less of me is more of Jesus
Lord, i want it all
Lord, i want it all
if i lose my life
i gain everything
and at the cross
away with all death's sting
Lord, i want it all
Lord, i want it all

there is power in the blood
there is victory in Jesus
come in power, wash me clean
overwhelm me with Your presence
there is power in the blood
there is victory in Jesus
help me glory in the cross
help me find my gain in loss

(philippians 1:21-23; 3:7-11)
