

# Shane Barnard, Psalm 145

Great is the Lord  
So worthy of praise  
Great is the Lord  
One generation will  
Commend Your kingdom  
To one another  
They will speak of You  
And I will meditate  
On Your wonder  
And they, they will speak  
Of Your glorious splendor  
Of Your majesty  
Everyday I'll praise Thee  
Forever and ever

Everyday I will praise  
Everyday I will praise  
For You open Your hand  
And satisfy desires of all things  
My God, the King

The Lord is gracious  
And slow to anger  
He is rich in love  
He is good to all  
The Lord is gracious  
And slow to anger  
He is rich in love  
He is good to all  
Who call on Him  
In truth He is near to them  
He is hears their cry  
And saves them, He saves them!

The Lord is gracious  
And slow to anger  
He is rich in love  
He is good to all  
The Lord is gracious  
And slow to anger  
He is rich in love  
He is good to all

Every day I will praise  
Every day I will praise  
For You open Your hand  
And satisfy desires of all things  
For You open Your hand  
And satisfy desires of all things  
My God, the King

Lord, You are gracious  
You are slow to anger  
Abounding in love  
You are good to us
