

# Shane Barnard, The Blood

the blood, oh the blood, the blood  
it washes me  
the blood, oh the blood, the blood  
it washes you  
the blood, oh the blood, the blood  
it covers me  
the blood, oh the blood, the blood  
it covers you  
the blood

for its only by the blood  
He makes atonement for my soul  
it will always be enough

for its only by the blood  
He makes atonement for my soul  
it will always, it will always be

(leviticus 17:11, romans 3:25-26)
