

Shane Barnard, The Blood

the blood, oh the blood, the blood
it washes me
the blood, oh the blood, the blood
it washes you
the blood, oh the blood, the blood
it covers me
the blood, oh the blood, the blood
it covers you
the blood

for its only by the blood
He makes atonement for my soul
it will always be enough

for its only by the blood
He makes atonement for my soul
it will always, it will always be

(leviticus 17:11, romans 3:25-26)
