

# Shane Hebert, Come And Go

Never seen your face light up so bright  
like the city lights on a summer night  
Reach out and guide me over wine and a remedy  
You entice me, every move  
Every word makes me float in case you didn't know  
The red carpet rolls

You come and go (3x)  
It can't be so...

Never seen headlights so bright  
Between dawn and nightfall  
I can't reach out, you're not there  
It's something bigger than the both of us

You come and go (3x)  
It can't be so...

and in one day I'm afraid to say you're gone
