

# Shane Mack, More Than This

I've burned a hole in, in the map I made  
And I'm not sure what I missed  
And I just make the same mistakes  
Can I be more than this?

If this is all, if this is all we ever were  
At least I loved enough to hurt  
Enough to hurt

I played a fool, yeah I played a losing game  
And let go of my innocence  
And I don't know, I'll never be the same  
Can I just be more than this? more than this?

If this is all, if this is all we ever were  
At least I loved enough to hurt  
Enough to hurt

I was standing in the rain, had my face in the mirror  
And made nothing into bliss  
And I found losing was just a trend  
Yeah is there more than this?
